- PUBLIC DISCLOSURE OF DECISION AND ACCREDITATION STATUS

The CAA conducted its comprehensive review in the context of the institutional and program mission statements and in consideration of the credentials for which the program is preparing students and determined that the program demonstrated sufficient compliance with the Standards for Accreditation of Graduate Education Programs in Audiology and Speech-Language Pathology.

- **There were no areas of concern related to the expected level of compliance with the Standards for Accreditation.**

PERFORMANCE WITH RESPECT TO STUDENT ACHIEVEMENT

The CAA evaluated this program regarding its performance with respect to student achievement and provides the following report, required as an accrediting agency recognized by the US Secretary of Education [[34 CFR 602.17\(f\)](#)]. Upon award of Candidacy status, no students are enrolled in the program; thus, student achievement data has not been collected. However, the CAA assessed the program's process for collecting and reporting student achievement data and found the program to meet or exceed the established CAA expectations as described in the Candidacy Compliance Continuum for accreditation standard 5.0 – Assessment.

PUBLIC DISCLOSURE OF THIS DECISION AND ACCREDITATION STATUS

The CAA publishes a notice of final accreditation actions on its website after comprehensive reviews are completed in accordance with its published policies. In the event an adverse action is taken and becomes final (i.e., withdrawal or withholding of an accreditation status), the CAA is required to publish a brief statement summarizing the reasons for withholding or withdrawing the accreditation status of a program, together with the comments, if any, that the affected program may wish to make.

The Criteria for Recognition by the U.S. Secretary of Education requires all recognized accrediting agencies to provide for the public correction of incorrect or misleading information an accredited or preaccredited program releases about accreditation or preaccreditation status, contents of site visit reports, and accrediting or preaccrediting actions with respect to the program. [[34 CFR 602.23\(d\) and 602.23\(e\)](#)] The program must make accurate public disclosure of the accreditation or preaccreditation status awarded to the program, using the language provided in the [Accreditation Handbook](#) (see Chapter XII Informing the Public) on the academic accreditation website. If the program chooses to disclose any additional information within the scope of the ED rule, such disclosure also must be accurate. Any public disclosure of information within the scope of the rule must include the CAA's name, address, and telephone number as described in the [Accreditation Handbook](#). If an institution or program misrepresents or distorts any action by the CAA with respect to any aspect of the accreditation process, its accreditation status, the contents of the site visit report, or final CAA accreditation actions or decisions, the CAA will inform the chief executive officer of the institution and the program director that corrective action must be taken. If corrective action is not taken, the CAA will release a public statement that provides correct information and may invoke other sanctions as may be appropriate.
